

Students can access ST Math at home on a tablet

For the Ipad:

Download **both** the clever and ST Math apps.

Log into the clever app.

1. Select login as a student.

Log in as a student

2. Type your school name. Choose your school from the list. Be careful, many school names are similar.

Search for your school

Type school name here...

3. Select login with google

Log in with Google

4. Type in **username:** *student id goes here*@student.carson.k12.nv.us
5. Type in **password:** *ask your teacher if you do not remember your password*
6. Once you have successfully logged into Clever, look for the ST Math icon.

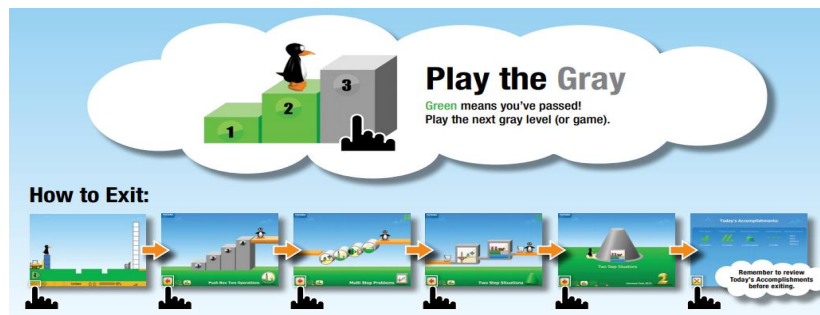

STMath

Click the ST Math icon and it will ask if you want to open the page in ST math.

Click open.

This will log you into the ST Math app automatically.

For the Kindle:

Download the ST Math app.

Once the app is downloaded, use your web browser to go to clever.com

Log into clever.

1. Select login as a student.

Log in as a student

2. Type your school name. Choose your school from the list. Be careful, many school names are similar.

Search for your school

Type school name here...

3. Select login with google

Log in with Google

4. Type in **username:** student id goes here@student.carson.k12.nv.us
5. Type in **password:** ask your teacher if you do not remember your password
6. Once you have successfully logged into Clever, look for the ST Math icon.

STMath

Click the ST Math icon.

This will automatically log you into the ST Math app.
