

**BOARD OF TRUSTEES  
CARSON CITY SCHOOL DISTRICT**

**POLICY No. 901  
COMMUNITY**

**OBJECTIVES OF PUBLIC RELATIONS**

The Board of Trustees recognizes that the schools of this District belong to the people who created them and support them by taxation, that the schools are only as strong as the intelligent and informed support of the people of the community, and that the support of the people must be based upon their knowledge of, their understanding about, and their participation in the aims and efforts of the public schools.

The Board shall therefore:

- a. Keep the citizens of Carson City regularly and thoroughly informed through all channels of communication of all the policies, programs, problems, and planning of the school system, through its own efforts and the office of the Superintendent;
- b. Invite the advice and counsel of the people of the District at all times and especially at appropriate meetings of the Board; and
- c. Solicit the sound thinking and studied counsels of the people through a variety of measures which may include advisory committees selected from the community and appointed by the Board to consider those problems which vitally affect the future of our children.
