

**BOARD OF TRUSTEES  
CARSON CITY SCHOOL DISTRICT**

**POLICY No. 907  
COMMUNITY**

**DISTRIBUTION OF INFORMATIONAL MATERIALS  
THROUGH STUDENTS**

Information related to student, school or District activities may be distributed to students, or through students to parents, or to parents.

Information from any commercial establishment, private business or corporation may be distributed through School District channels provided that said material has a clear educational purpose and is consistent with the District's curricular and instructional objectives. Materials, which promote any religious or political group, will not be distributed through students by District personnel.

Materials concerning fund-raising programs and projects may be distributed through students if authorized by the principal and evaluated to be reputable.
