

Dear Students and Parents,

Every Tuesday and Thursday (starting 3/31), I will be hosting a zoom.us meeting for our students starting at 10:00-11:00am. This will provide an opportunity for all students to get together and ask questions about the work, to check in with me, and to say hello to their friends. Please log in to zoom.us and click on the join meeting icon in the top right corner. Students may log in with their google accounts. Below is the zoom meeting ID in which they will enter to join us.

Thank you!
