

CCSD Monthly Newsletter August 2023 Edition

Welcome Back Carson City!!

Hello Carson City! We at the Carson City School District Nutrition Department are thrilled to be back in school, serving up delicious and nutritious options for the students again this year.

We are looking forward to another year of serving up happy and healthy in our cafes across the district. Some things to look forward to this year will include some modified versions of our popular Discovery Kitchen and Mood Boost programs, another round or two of Student Choice and in the future the addition of our newest concept Global Eats, as well as lots of fun days and extras for the holidays. **STAY TUNED FOR MORE!!**

Meet the Chartwells Team:

Chartwells is a food service management company specializing in school foodservice. The wonderful people of the Carson City School District are partnered with Chartwells, a leader in all things K-12 foodservice. At the heart of Chartwells is a strong local and national team of motivated, caring and conscientious individuals who are dedicated to ensuring students leave the cafeteria happier and healthier than they came in.

Every nutrition employee of the school district is dedicated to ensuring students have the best experience possible. Between the District and Chartwells we all have the same goal – keeping the kids fed.

Do you have any questions? Feel free to contact us!

Did you know?

In the Carson City School District, we are dedicated to serving meals that the kids love while adhering to the strict dietary guidelines set forth by the USDA.

We always want to balance what the students will enjoy with the nutrition guidelines established by the USDA. The cereals we serve are made with whole grains and contain 25% less sugar than the standard store-bought version. We pair them with fresh fruit and a choice of low fat or skim milk.
